Dear HMS Member

January 31, 2025

The Hartford Medical Society is happy to announce that our first member benefit talk will be held **April 24, 2025** at the Watkinson Library at Trinity College, 300 Summit St Hartford, CT and will feature some of the amazing historic archives HMS has in its collection, in addition to a presentation by Lisa Arbissor, MD who will talk about Dr. Joyce Brothers, an early pioneer in media psychology. Dr. Brothers is often referred to as the “Mother of Media Psychology” and was in the living rooms of countless Americans for decades. Members who have paid their dues will enjoy complimentary admission; their guests will be \$25.00. A real bargain for an extraordinary evening filled with lite fare, beverages and an interesting and vibrant talk.

**The time is set for Time-6:00-8:00 p.m and members can register on line at: [Hartford Medical Society - Hartford Medical Society](#).**

***In closing, membership is a way of preserving the noble practice of medicine and a way to stay in touch with your colleagues in a fun and stress-free environment. We hope to see you all in April!***

**Registration form should be mailed to : HMS PO Box 854, Litchfield, CT 06759 with check if applicable**
